

Table with columns for names (e.g., A.1387, A.1388, A.1389) and various alphanumeric codes (e.g., D.0002856, D.0002857, D.0002858). The table is organized into columns corresponding to the header labels (ST 24 to VAL 1). It contains a large volume of data points, likely representing a catalog or index of items.
